PROGRAM INFORMATION

Employees

We employ highly qualified staff which include teachers, school staff, local college students, and community members.

Homework

Structured homework time is offered daily. Our staff is available to help with questions, explanations, and to keep students on task. It is not a one-on-one tutoring session.

Enrichment Activities

Arts and Crafts | Reading | Expressive Writing | Computer Time | Outside Time / Games | Building Blocks / Legos | Field Trips | Movies | Special Guests

Although daily schedules may vary at each school, a typical afternoon schedule includes:

- 30 minutes – Second Step SEL (Social Emotional Learning)/Snack
- 45 minutes+ - homework
- 45 minutes – outside time
- 30 minutes – enrichment/STEM activities

All activities will enhance your student’s social and emotional development while creating a safe and inviting environment.

Student Information

Most communication to parents and guardians will come through emails. Please make sure that we have your correct email address on file. It is also very important to have up-to-date phone numbers on file in case of an emergency. You can update your student’s information through the parent portal, or you can email the changes needed at: expandedlearningsupport@imprintscares.org

Snacks

Imprints Cares provides all students with a healthy afternoon snack. Snacks from home are not needed unless dietary restrictions are necessary. If you have any questions, contact your site supervisor.

Personal Items

Imprints Cares provides materials and supplies needed for all activities. Items brought from home are strongly discouraged as we cannot be responsible if they are damaged or misplaced.

Cell Phones/Electronics

If your child brings electronics to school, these items must be left in their bookbags when in our care. This includes cell phones, laptops, electronic games, etc.

Medication

If your student needs medication while in our care, please complete a medication authorization form. See your site supervisor for a copy of the form. Medications must be in the prescribed or original container.

Injury

In case of an injury to your student, an injury report will be completed. The parent/guardian will be notified based on the severity of the injury. Otherwise, the form will be given at pick up.
