

## Creating an Education Hub

Revitalizing part of our community by creating a center for students, Imprints Cares staff, and partners to grow and thrive in a nurturing environment.

## Addressing an Unmet Need

Onsite inclusion program providing before & after school care and summer enrichment camp to students with exceptional needs, while additionally providing community meeting space & demo kitchen.

## Engaging Family Systems

Maximizing our impact in serving family systems by increasing our services through home visitations, family engagement, resource connections, and literacy-rich home environments.
