Fatherhood Connections

Parenting ✦ Self-Reflection ✦ Fellowship

Designed to support fathers participating in Imprints Cares Ready for School programming, this curriculum utilizes a 3-tiered approach focused on development-centering parenting, being trauma-informed, and self-reflection.

Parents as Teachers

An evidenced-based, international, home-visitation curriculum that serves families with children from before birth - 5 years and promotes positive parenting, early childhood development, and supports families preparing their child to be ready for school.

Trauma Resilient Communities

A collaborative project with the goal of developing a community-engaged strategic plan that reduces the impact of Adverse Childhood Experiences (ACEs) and creates a more trauma-resilient Winston-Salem through community-engaged participation and training.

Building Community

Creating an intentional safe space for fathers to connect, reflect, and build fellowship with one another.
